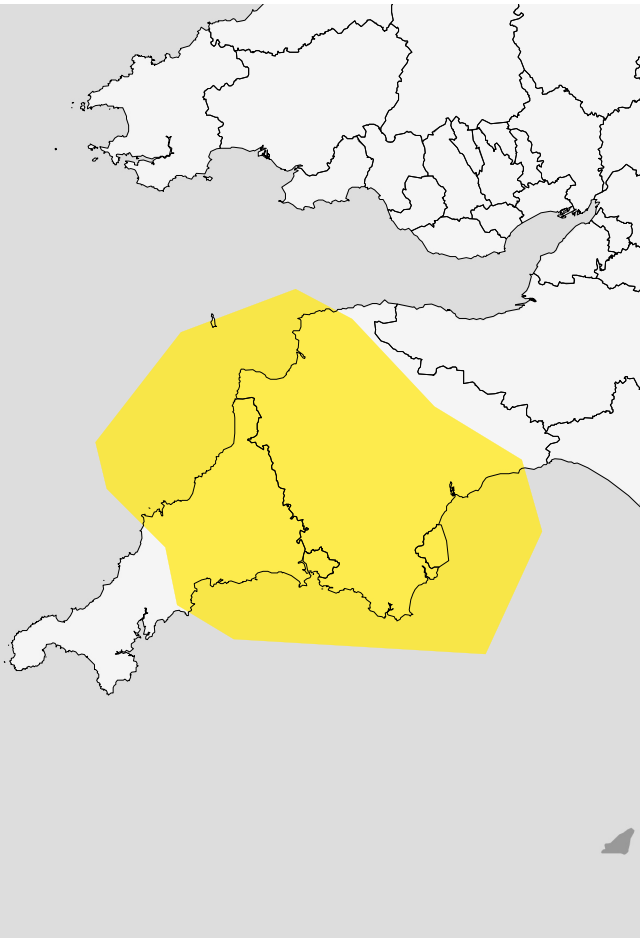
Yellow warning
Thunderstorm

Between
00:00 Sat 4 Jun 2022 and
13:00 Sat 4 Jun 2022



Thunderstorms may affect parts of southwest England during the rest of this morning and early afternoon.

What to expect

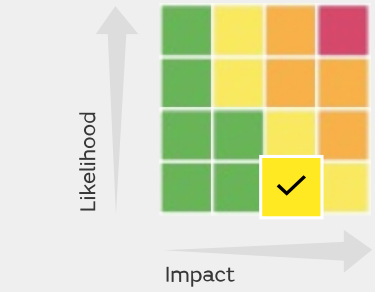
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost

Further details

Showers and thunderstorms may continue to affect parts of southwest England until the early afternoon. A few places could see as much as 10-20 mm of rain within an hour.

Reason for update

Warning extended to early afternoon and trimmed to southwest England.



Very low likelihood of medium impacts
